

Greater Cambridge, Greater Peterborough Housing & Well-being Visioning Workshop

Global Sustainability
Institute

SUSTAINABILITY EAST

You are invited to attend the last in a series of regional 'visioning workshops' for local housing development!

We are reaching out to residents of Wisbech who, we believe, should have a voice in the future of local housing development. Come join our fun and thought-provoking 'visioning exercises' to imagine a future housing system that makes us happy, healthy and well! **Results will be shared with local councils and the Cambridgeshire-Peterborough Combined Authority.**

About the Workshop

DATE & TIME

Tues, July 03, 2018
4:15 PM – 7:00 PM
