A good Corporate Governance framework helps the Council to deliver its Corporate Objectives.

The role of the Corporate Governance Committee includes:

- independently scrutinising the Authority's financial and non-financial performance, and overseeing the financial reporting process.

The Committee has taken action to ensure that its members are adequately informed on key themes of the Governance Framework via regular reports including:

- Governance;
- Internal control;
- Risk management;
- Anti-fraud & corruption;
- Accounts and policies;
- Treasury management;

Reports from the External Auditors affirmed continued maintenance of high financial management and control standards. The Annual Audit letter explained that in all significant respects the Council made proper arrangements to secure economy, efficiency and effectiveness in its use of resources and an unqualified value for money conclusion was given. The Committee supported a press release to reflect this achievement.

The Committee has been fundamental in the review and maintenance of the Council's Governance Framework.
