

PLANNING COMMITTEE DATE: 24th May 2017

APPLICATION NO: F/YR17/0163/O

SITE LOCATION: Land South Of 64A Mill Road, Whittlesey

UPDATE

A further communication (including photograph) has been received from an adjoining resident, in addition to comments made previously; this may be summarised as follows:

'The photograph itself was taken on Monday 22 May 2017 from an upstairs side window of our property, No. 70 Mill Road, looking towards Nos. 66 and 68 Mill Road in the foreground, then beyond to the fence between Nos. 64A and 64. Now that the garage with office storage space above [Planning Application F/YR15/0023/F] has been built on land belonging to No. 64A Mill Road, but immediately to the rear of Nos. 66 and 68, this photograph evidences the impact the new build has made on the amenities of Nos. 66 and 68 Mill Road. The new build has also impacted the amenities of Nos. 70, 64A and 64 Mill Road. Its height and bulk are more akin to that of a chalet bungalow than a garage and would, in our opinion, severely impact the amenities of anyone occupying buildings on land that faces it, ie, dwellings on the backland garden of No. 64A the plans for which are the subject of Application F/YR17/0163/O.'

Resolution: Remains as Refuse in accordance with Page 6 of Agenda Number 7 of the Agenda
