APPLICATION FOR A FILM CLASSIFICATION

The Licensing Committee heard an application for a film classification as the film classification body for premises licensed for the exhibition of films under the Licensing Act 2003 within Fenland District.

In reaching their conclusion, the Licensing Committee viewed two episodes of the film, heard evidence from the applicant's representative, considered the relevant legislation, guidance and the Council's Licensing Policy.

Our decision is as follows:-

That the film, 15 and Killing It, should be classified as 18.
