

Application for planning permission and Relevant Demolition in a Conservation Area

NATIONAL REQUIREMENTS

- **Completed application form** (1 copy to be supplied unless the application is submitted electronically)
- **A location plan** which identifies the land to which the application relates drawn to an identified scale and showing the direction of North (1 copies to be supplied unless the application is submitted electronically)

Planning Practice Guidance:

A location plan should be based on an up-to-date map. The scale should typically be 1:1250 or 1:2500, but wherever possible the plan should be scaled to fit onto A4 or A3 size paper. A location plan should identify sufficient roads and/or buildings on land adjoining the application site to ensure that the exact location of the application site is clear.

The application site should be edged clearly with a red line on the location plan. It should include all land necessary to carry out the proposed development (e.g. land required for access to the site from a public highway, visibility splays, landscaping, car parking and open areas around buildings). A blue line should be drawn around any other land owned by the applicant, close to or adjoining the application site.

Please do not show the proposal on the location plan

- **A copy of other plans and drawings or information necessary** to describe the subject of the application (3 copies to be supplied unless the application is submitted electronically). **Please see local requirements for specifics.**
- **The completed Ownership Certificate and Agricultural Holdings certificate** (A, B, C or D - as applicable) and as required by Article 14 of the Town and Country Planning (Development Management Procedure) (England) Order 2015

- **In addition where Ownership Certificates B, C or D have been completed**, notice(s) as required by Article 13 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 must be given and/or published in accordance with this Article.
- **Design and access statement for:**
 - All major applications,
 - Applications in a conservations area for 1 dwelling or more or if creating 100sqm or more
- **The appropriate fee**
Found on our web pages:
<https://www.fenland.gov.uk/planningforms>

LOCAL REQUIREMENTS

- **All Plans:**
For the avoidance of doubt, 'Do not scale' quoted on plans will not be accepted
 - Site plan (e.g. at a scale of 1:100 or 1:200 showing the access, proposal, all site boundaries and position of all surrounding buildings)
 - Existing and proposed elevations in full (e.g. at a scale of 1:50 or 1:100) (Also required for Change of use applications where the proposal affects the elevation/s)
 - Existing and proposed floor plans in full (e.g. at a scale of 1:50 or 1:100) (Annotated plans also required for all Change of use applications)
 - Existing and proposed site sections, finished floor levels and site levels (e.g. at a scale of 1:50 of 1:100) for Major residential applications
 - Roof plans for all applications involving extensions and/or changes to roof forms (e.g. at a scale of 1:50 or 1:100)
 - Street scene plan - A plan showing the street scene at a scale of 1:200 for any proposals affecting the street scene i.e. new dwellings.

Policy Driver: Policies LP2, LP14 and LP16 of the Fenland Local Plan 2014.

- **Biodiversity Checklist/Report**

Completion of the checklist is required **FOR ALL** applications with an accompanying ecology report if required as indicated on the checklist, the report to be undertaken by a qualified Ecologist.

<https://www.fenland.gov.uk/planningforms>

Ecology reports, undertaken by a qualified Ecologist, are also required if the site is within any international, national, regional or locally designated area for nature conservation. In the case of major applications a report is also required if the site is within 200m of any of the above.
