

### Assessing Equality – The Equality Act 2010 Getting It Sorted Volunteers Customer Impact Assessment

#### Name and brief description of policy being analysed

Briefly summarise the policy including any key information such as aims, context etc; note timescales and milestones for new policies; use plain language – NO JARGON; refer to other documents if required

### **Getting It Sorted Volunteers**

Working with the Fenland Communities to increase recycling rates in Fenland, people of all ages and abilities will be encouraged to take part in the project. Volunteers will be recruited and trained to help the community to learn more about recycling and encourage participation, they will be running events, going to schools and working with community groups to increase recycling knowledge. Volunteers will be surveying domestic recycling in Fenland to help deliver positive recycling messages to their communities.

#### Information used for customer analysis

Note relevant consultation; who took part and key findings; refer to, or attach other documents if needed; include dates where possible
