

Key Executive Cabinet Member

DecisionAs per the following section of the Constitution:

20. DECISIONS BY INDIVIDUAL MEMBERS OF THE CABINET

20.1 Reports intended to be taken into account Where an individual member of the Cabinet receives a report which he/she intends to take into account in making any key decision, then he/she will not make the decision until at least three clear days after receipt of that report.

Notice is hereby given that Cllr Seaton will be taking a decision in relation to the development of March High Street on Tuesday 16 November 2021 which will be subject to a 5 day call in period prior to implementation.

With the approval of the Chairman of the Overview and Scrutiny Panel, the urgency procedure has been invoked to suspend the requirement to publish the notice of the decision for 28 days. These procedures have been invoked to ensure that the adherence can be made to an already tight delivery programme.
