Local Notice to Mariners Register

Water quality research in the Wash

Date 20/10/2025

Number 006/25

England – East Coast – The Wash Ports – River Nene
Admiralty Chart 1200, Imray Y9

Mariners are hereby advised that APEM will be conducting daylight water sampling activities over a 12- month period starting in October 2025 in The Wash. These operations will support environmental monitoring and research efforts. Further details, including specific locations, timings, and safety guidance, are provided below
